Locust Projects is an **arts incubator** producing and presenting **commissioned exhibitions, programs and projects.**

**LOCUST
PROJECTS**

FOUNDED BY ARTISTS FOR ARTISTS IN 1998

Locust Projects' new 8,000 sq. ft. home in Little River features a rotating schedule of site-specific installations by an array of local, national and international artists in the Main Gallery, Project Room and Digital Innovation Lab. Selected artists will have access to studio work space in the months prior to their project opening.
